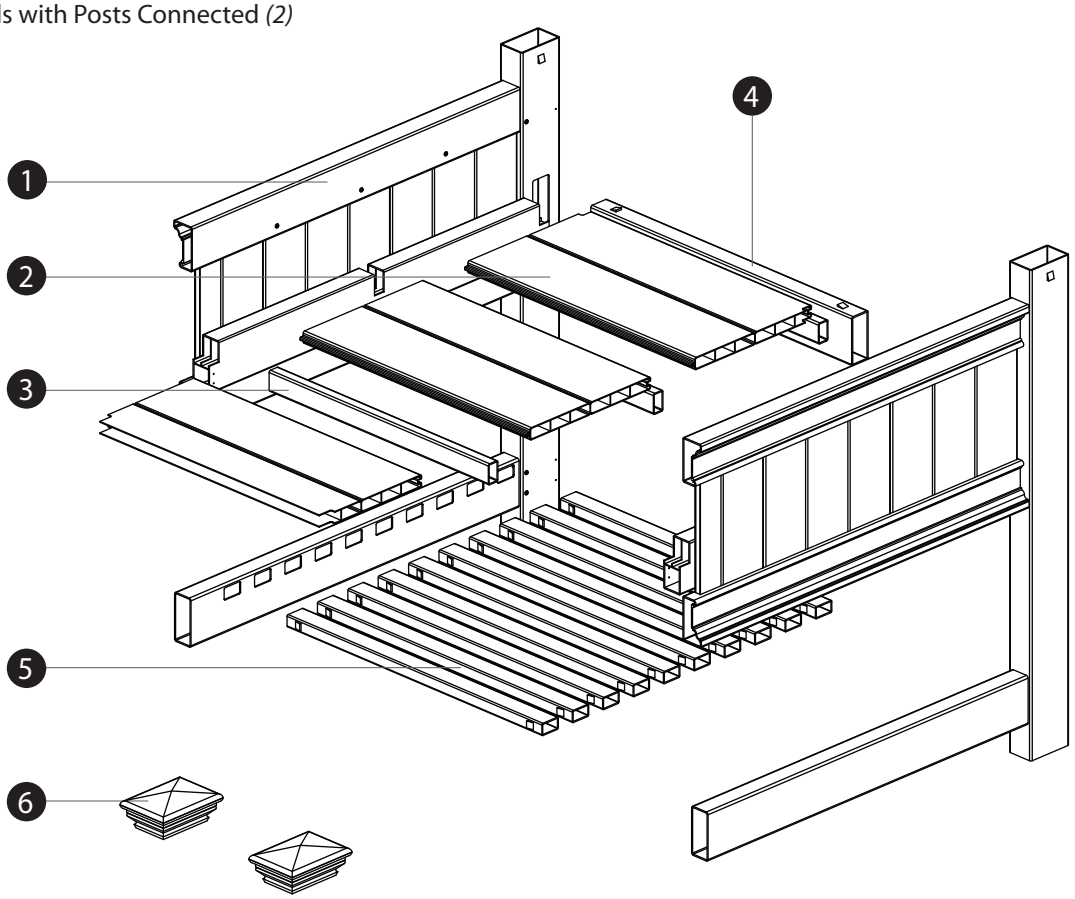
6. Post Caps *(2)*
7. 5/8" Stainless Steel Screws *(10)*
8. 2 1/2" Stainless Steel Screws *(4)*



Not to Scale

General Information

- ***Read Instructions through carefully before beginning assembly.***
- When assembling components, place on a non-abrasive surface *(i.e. shipping box)* to avoid scratching.
- We recommend an area approx 4'x 8' for unobstructed assembling.
- You should not need to use excessive force when assembling components.

STEP ONE

Disassemble the 3ft Raised Planter Box

1

Remove the floor boards

2

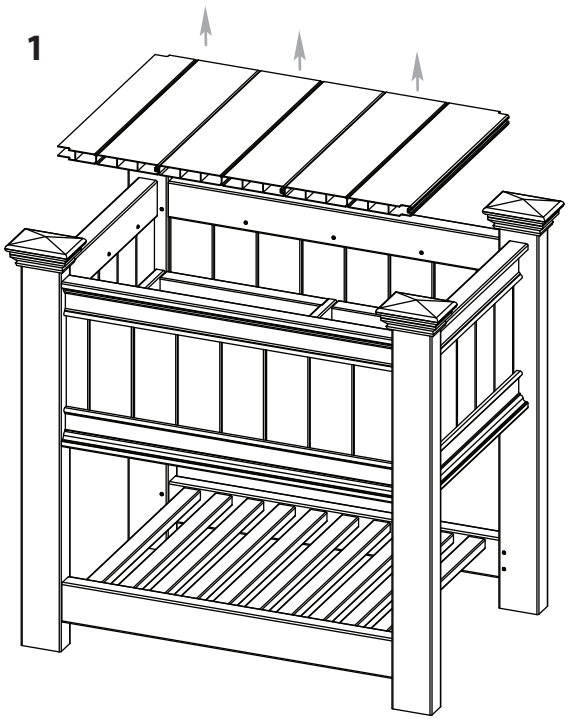
Remove the three floor supports

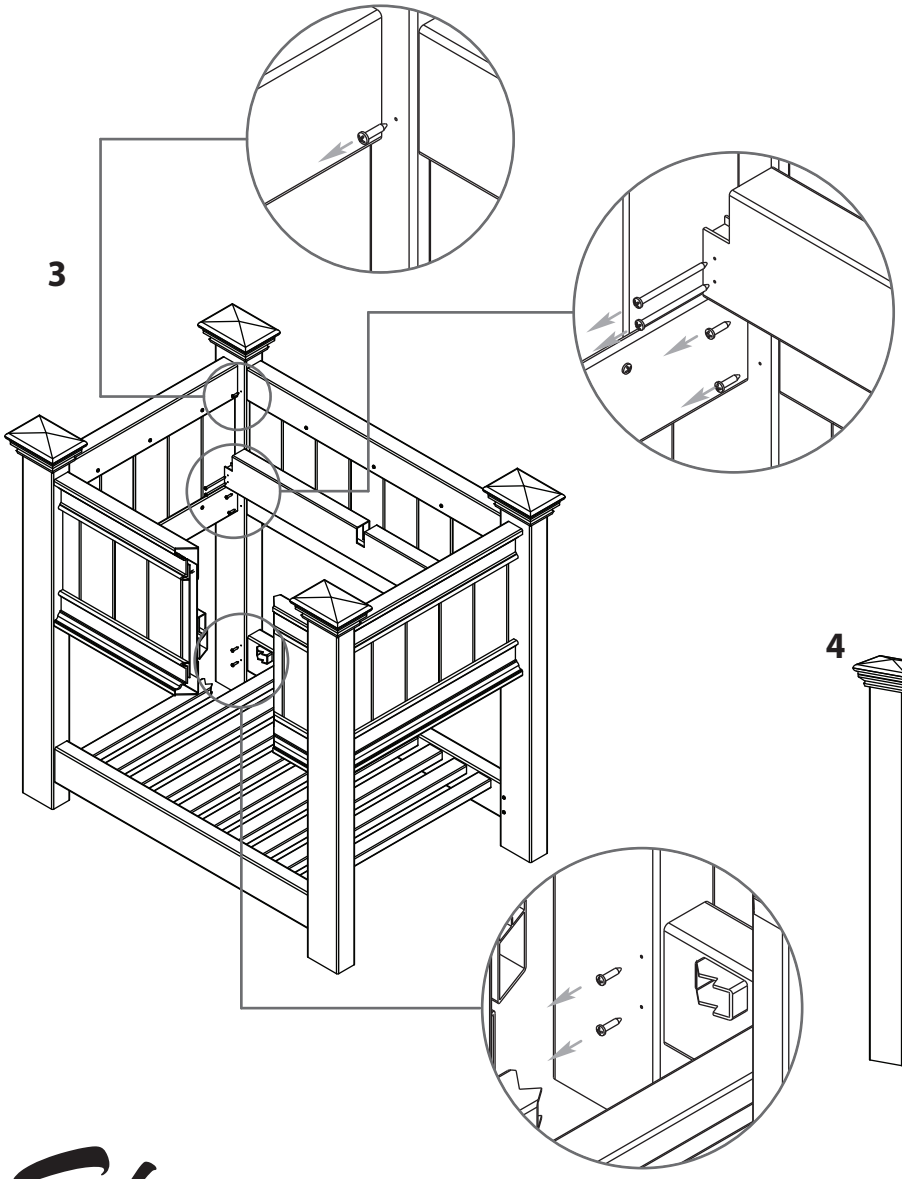
3

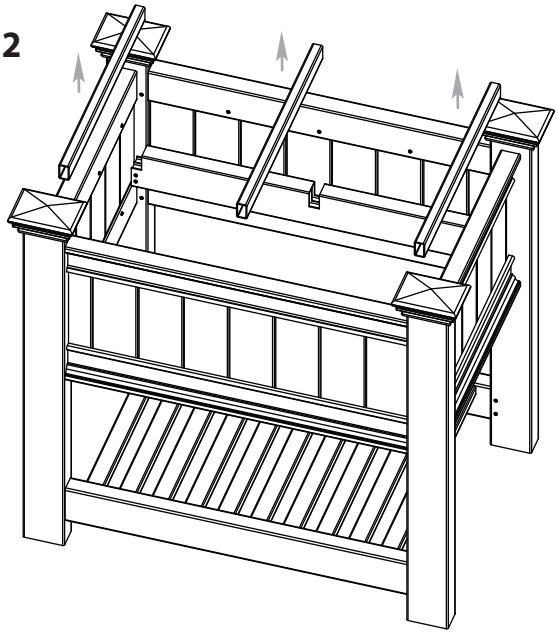
Remove seven screws from each of the two posts on the extending side. Make note of the location of each screw as these will be reused in the next step.

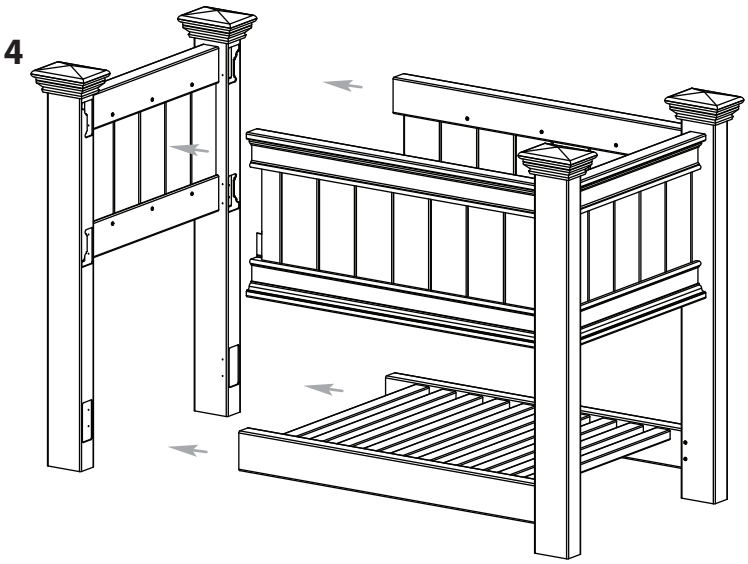
4

Remove the side panel entirely and place aside









Eden Outdoor Collection™

STEP TWO

Assemble and attach the Extension Kit

1

Place the one panel on the floor as shown and insert the ten shelf boards until they all lock in place. Also insert the post bridge into the pre-routed hole on the centre post as shown.

2

Align and attach the second panel to the sub-assembly.

3

Attach the extension kit to the side panel which was put aside from step 1-4

4

Re-fasten the side panel to the two posts using the screws from step 1-3

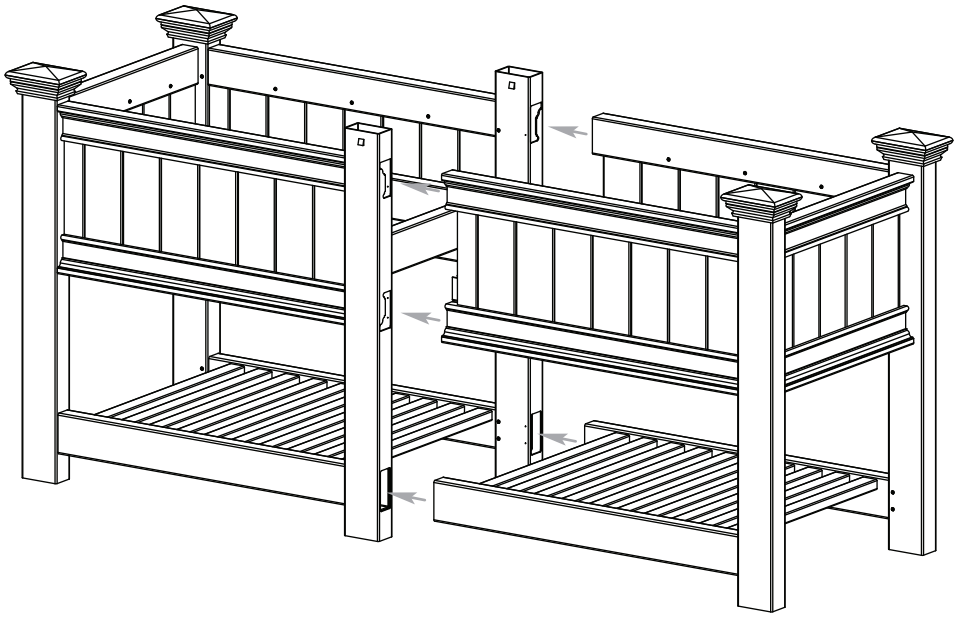
STEP THREE

Attach the Extension Kit

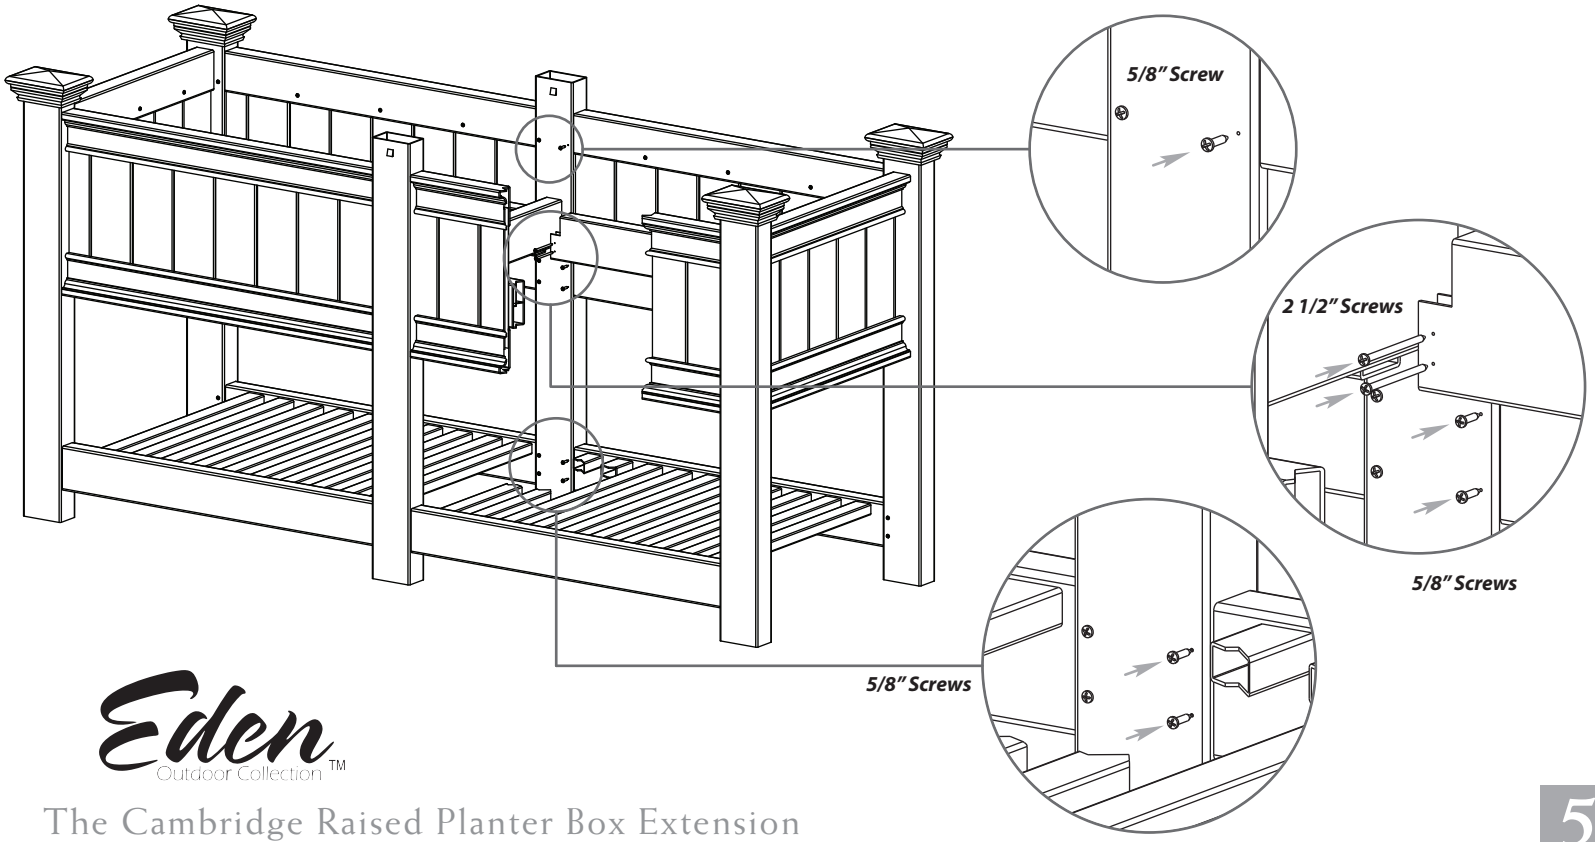
1

Align and insert the extension kit assembly to the 3 ft planter box into the pre-routed holes as shown.



2

Using the provided screws, fasten the extension kit to the two centre posts.



Eden Outdoor Collection™

STEP FOUR

1

Replace the floor supports (six total)

2

Replace the six floor boards

3

Attach the post caps to the centre posts until they lock in place
